

# Presentation

Guillaume Muller

September 10, 2020

# Getting to know each other!

## Who am I?

- **Background:** PhD in Computer Science (Distributed AI)
- **Teaching** (@Telecom): MdC "LRU" [Prog., HPP, Secu, DevOps, Data]
- **Research** (@LabHC): Member of the Data Intelligence team

## What is my previous experience on the subject?

- PhD on P2P & **Multi-Agent Systems**

- **Virtual Assistant** (2007!)

- **Search Engines**

- **Serious Games**

- **Aircrafts**

- **Solar Houses**

- **Industry 4.0**

## Ongoing projects

- **Health Care:** BCI/EEGs, Suicide Prevention, Blood Transfusion
- **Privacy:** Federated Learning

# Who are you?

# Who am I?

- Associate Professor in computer science, LRU

- **Teachings @TSE**

- C/C++, Java, Spring
- Soft. Eng., Algo
- HPP, Secu, DevOps, Data

- **Research @LHC**

- Research in « Data Intelligence team »
- BCI/EEGs, Privacy
- (IA, Multi-Agent, BlockChain, QuantumML)
